The screenshot shows a GitHub pull request interface. At the top, the title is "created 'feature' branch and edited the for loop #1". Below the title, it says "Merged" and "fonso-exe merged 1 commit into main from feature 1 minute ago". The pull request details show "Conversation: 0", "Commits: 1", "Checks: 0", and "Files changed: 1". A comment from "fonso-exe" is visible, stating "No description provided." Below the comment, a commit is shown: "created 'feature' branch and edited the for loop" with commit hash "a0b6e04". The pull request is marked as "Pull request successfully merged and closed", and a "Delete branch" button is present. The right sidebar shows various settings: Reviewers (No reviews), Assignees (No one), Labels (None yet), Projects (None yet), Milestone (No milestone), Development (Successfully merging this pull request may close these issues), Notifications (Unsubscribe), and 1 participant. The footer includes the GitHub logo and copyright information: "© 2025 GitHub, Inc. Terms Privacy Security Status Community Docs Contact Manage cookies Do not share my personal information".
